Short Answers (Stephanie Heger - TA)

Is there something important about the section not covered by these questions?

00	I think it should be noted that the TA session was not mandatory, so a lot of people filling out these evaluations never even showed up. As the only regular, I want you to know that Stephanie Heger did a great job.
07	No
08	I think it's an understatement to say that Stephanie Heger is one, if not the, best TAs in the Economics department. In all of the coursework I completed thus far, no teaching assistant has been as helpful, understandable, understanding and easy to talk to as she has been. Absolutely awesome.
14	no

Instructor Short Answers (Stephanie Heger - TA)

What did you like <u>most</u> about the teaching of this section by the TA?

-
- 00 Stephanie listened to input, tailored the class to those who came and their specific needs, and did a great job of sharing her knowledge.
 - 05 Stephanie was extremely helpful. I could go to her with questions about course material, exams, assigned homework problems, etc. She was always available to go over them and clearly answer them for me. I never once left her office feeling I didn't understand what I had asked about.
 - 07 She really made herself available and communicated well
 - 08 She is awesome. There are no questions. I could understand everything she said and she explained everything clearly.
 - 14 very organized and prepared

What did you like least about the teaching of this section by the TA?

- 00 I have no complaints. Stephanie Heger was great.
- 07 The review session conflicted with another class of mine, so I could never go unless the other class was cancelled
- 08 Silly question.
